William D. McIntyre

William David McIntyre was born on June 18, 1944 in Evansville, Indiana to Thorpe and Julia McIntyre. Having hunted with his father a couple times in Wyoming, eight years after graduating from high school Bill decided he wanted to live in Wyoming. He moved to Casper and went to work in the Uranium Fields as a logger. He later worked the Salt Creek Oilfield as a pumper. He was married on February 23, 1974 in Casper to Dixie Bowdish and they made their home in Casper. While living in Casper, he and his wife bought a ranch with Dixie's parents east of Kaycee where they spent most of their time and where they raised their three sons. Bill retired from the oilfields in 2009 and in December of 2012 they sold the ranch and moved into Kaycee where they lived until his death in 2021.

Bill enjoyed traveling with his family, backpacking with his sons, fishing and reading. He was a volunteer and board member for the Hoofprints of the Past Museum and the Johnson County Library. Bill was a volunteer KATS Bus Driver in Kaycee. Bill loved his family and enjoyed doing things for others. He was a long-time Chairman of the Johnson County Democratic Party and active member and donor to the State and County Democratic Parties. Bill and his enthusiasm for supporting what he was interested in is greatly missed.

It is in his spirit of service to others that the Scholarship Committee takes great pleasure in awarding this scholarship in memory of the late William D. McIntyre of Kaycee, Wyoming.
